LIVE CLASSES

It's a Good Time
to Start Learning Spanish

Spanish classes anytime, anywhere.

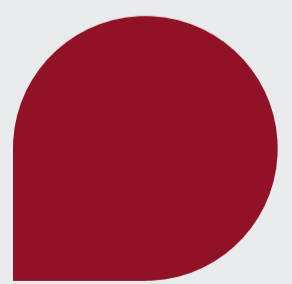

Spanish, a Language With Many Opportunities

Spanish is the third most spoken language in the world.

21 countries where Spanish is the official language, where you can build stronger relationships.

463 million native-Spanish speaking people, 463 million opportunities.

Personalized Classes

tendy.live is a video chat platform to learning Spanish, which offers organizations and students the experience of working one on one, with native-Spanish speaking teachers, ready to teach Spanish.

Personalized Classes at Any Time of the Day

Your time, your plan!

Corporate and personal plans, flexible in duration of session time per day, number of sessions per week and number of months.

Conversation classes will be based on your interests and preferences, in a virtual place for immersion in Spanish.

Start learning Spanish now!
